

# **Agenda - November 2014 Monthly Meeting**

Palouse Region Chapter, Citizens' Climate Lobby

Time: Thursday, November 6, 5:30-7 PM

Place: La Madrid restaurant

**Introductions** (*and identification of note taker*)

## **Additions to Agenda**

### **Review of October Minutes**

### **Updates on Local Chapter Issues**

Fundraising for the national CCL, local drive (Rob)

Business cards

Website (cclpalouse.org)

**Announcements**—Awards from Friends of the Clearwater

### **Highlights of November International Call**

Charles Kennel, former director of Scripps institution of Oceanography: “2C or not 2C?” Kennel recently co-authored an [article in the journal Nature](#) arguing that it is time to abandon the 2C warming goal and track a range of vital signs instead, provoking “hot” debate in the climate science world. Listen to the November call at <http://citizensclimatelobby.org/monthly-international-conference-calls/>

### **Monthly Actions**

1. Write post-election letters to the editor telling elected MoCs about your priority for the next Congress: Carbon fee and dividend legislation.
2. Follow up on requests with congressional offices to attend REMI briefings.

### **Updates from Interest Groups**

- Tabling/Outreach (Pat Rathmann/Jeff Ramsey)
- Newspapers/Media (Al Poplawsky/Rob Briggs)
- Presentations (Pat Friel)
- Local speakers: training and presentation opportunities
