

Agenda, December Monthly Meeting

Palouse Region Chapter, Citizens' Climate Lobby

Time: Thursday, December 3, 5:30 to 7:00 pm

Place: Daily Grind, 230 E. Main St., Pullman

Introductions (and Identification of Note Taker)

Additions to Agenda?

Media Accomplishments

- LTEs by Jeffrey B. Ramsey and Steve Flint, op-ed by Pete Haug, front-page coverage of Mary DuPree's Moscow LWV presentation.

Review of Minutes and Action Items status from November Meeting

- Encourage Idaho senators to join the Senate's Energy and Climate Working Group.
- Monitor papers for news stories on Paris Climate Conference; write letters to the editor in response.
- Rob, Katie and Jules: try to get an editorial meeting with the LMT.
- Fundraise for CCL on Tuesday Dec. 1.
- Attend Global Climate Rally in Spokane, Nov. 29.
- Consider new meeting time.

Capitol Hill Report

- Update from Fall Lobby Day attendees – Anne, Ginny, Jeffrey
- Updates on other lobbying

International Call Reports & Action [<http://ccl.podbean.com/feed/>]

- November 7 - International Call Report: Rob Williams, Senior Fellow at Resources for the Future (RFF), discussing the different impacts of a revenue-neutral carbon fee – Ginny
- December 5 - International Call Preview: Dr. David Titley, Retired Navy Rear Admiral who led the U.S. Navy's Task Force on Climate Change and is currently Professor of meteorology at Penn State University
- This month's action - Letters to the editor on the Paris climate meeting.

Future Meetings

- Discussion: New meeting dates/times?

Updates from Interest Groups

- Outreach/Tabling
 - Upcoming outreach/tabling opportunities, status of signs, tabling supplies, logistics (e.g., where do we keep the stuff?)
 - Update: Proposed Garden Lounge outreach event - Al/Mary
- Presentations
 - Report on presentation to Moscow League of Women Voters. Wed., November 11 – Mary
 - Future presentation opportunities?
 - Next presentation working group meeting – time/place?
- Newspapers/Media
 - Update on process for sending copies of our published media to our members of Congress – Ginny

Updates on Chapter Activities

- I-732 Update – Goal of 330,000 signatures attained this week. [CarbonWA going for 350,000, because “it has a nice ring to it.”]

Laser Talk Practice (If time available)

- Because: “... if you can't speak the issues, you aren't dangerous yet.”—Sam Daley-Harris
