CCL assessment of carbon pricing in legislative process – Mary

Carbon pricing is still very much on the table as legislation in Congress, and will be likely discussed for the next weeks or months: it is important for us to keep the pressure on our representatives.

Climate Change – a Pro-Life Issue?

Series presented by Sacred Heart Parish, Pullman. First speaker was CCL member Ian Clark, a fifth generation farmer. Final event in the series is October 28, 6:30-7:45 pm and will feature Dr. Brian Henning, Gonzaga University professor of Philosophy and Environmental Studies, Director of the Gonzaga Center for Climate, Society, and the Environment. **Take Action Now**

- **Register for Nov 13-14 CCL Conference** [cclusa.org/November](https://cclusa.org/November) It's free! And if you have not done a Climate Advocate Training, that session is on Sunday and ends with a mock Lobby meeting!
- **Email President Biden and Democratic Senators** at [cclusa.org/white-house](https://cclusa.org/white-house) and tell them to include a carbon price in the reconciliation bill under negotiation. Make a list of 5 people and ask them to email Biden in the coming few days.
- **Generate media for carbon pricing**
  - **Write letters to the editor and op-eds this month and next** calling for a price on carbon with carbon cash back (dividends) in the budget reconciliation. Great ideas and other CCL resources for writing are at [LTE topic ideas document](#), [write letters](#), [latest op-ed templates](#), [Opinion Columns](#)

Get out as many op eds as possible (template can be used as starting point)

Joe and Kathy volunteered to write an op-ed

Simon, Margaret, Paul volunteered to write an LTE

Recommendation: send LTE to as many newspapers as possible; CCL has a list with local/regional papers and Kathy has a more extensive one for media in the region: kdawes208@gmail.com

- **Share CCL posts on social media** – On your favorite social media, find CCL’s account, and then look for a CCL post about carbon pricing. Pick one, like it, comment on it, and share it including the hashtag #PriceOnCarbon and your MOC’s social media handles.
