When you call, here's what to say:

I am a constituent who lives in [YOUR TOWN]. People from my community are visiting your office today as part of Citizens' Climate Lobby's annual lobby day. We're talking with Republicans and Democrats alike, building support for federal policy that will help ensure America's energy is affordable, reliable, and clean. Please know that the folks visiting your office represent many more of us here in [YOUR TOWN], and please listen to what they have to say. Thank you!

💥 **Bonus:** If you want to go above and beyond with in-district engagement to support our D.C. lobby meetings, consider planning a drop-off of constituent letters at your member's district office in the days leading up to our July 22 Lobby Day.
