COMMUNICATION SKILLS EXERCISE: - Judy

1. Which of these six moral foundations (Liberty, Loyalty, Authority, Care, Fairness, Sanctity) does your MOC highly value?
2. What blind spots do we have regarding our MOCs?
3. If you had to identify one connection point between your MOC and climate solutions today, what would it be?

For example, depending on a person's moral foundation, connections regarding permitting reform might be:

- Reduce bureaucratic barriers (Liberty)
- Strengthen American energy independence (Loyalty)
- Create predictable rules for building infrastructure (Authority)
- Reduce harmful pollution (Care)

Next meeting July 16, 5:30-7 pm, 1912 Center, Moscow
